We recommend you use your computer rather than your phone as a few members have experienced difficulties on their smartphone. A PayPal page opens. You do not need to have or open a PayPal account. PayPal processes the money transfer for us but you pay with your regular credit card. Make sure the flag matches the “nationality” of you credit/debit card!

The screenshot shows the PayPal login interface. At the top is the PayPal logo. Below it, the text reads "Log in to PayPal" and "Enter your email address to get started." There is a text input field containing "Email or mobile number" which is crossed out with a red 'X'. Below the field is a link for "Forgot email?". A blue "Next" button is positioned below the field. A horizontal line with the word "or" is centered below the button. Below this line is a button labeled "Pay with a card", which is circled in red. At the bottom, there is a link "Cancel and return to Bordeaux Women's Club (BWC)" and a language selector showing "Français | English". A red callout bubble points to the language selector with the text "FLAG MUST MATCH PAYMENT CARD".

Check out as a guest:

The screenshot shows the "Check out as a guest" page. At the top is the PayPal logo. Below it, the text reads "Check out as a guest" and "Enjoy the ease and security of PayPal even if you don't have an account. Enter your email to get started." There is a text input field containing "john.doe@gmail.com". Below the field is a blue "Continue to Payment" button. At the bottom, there is a link "Already have an account? Log in".

Do not create a PayPal account (button 2/3 down the page should be to the left and NOT blue, see next page). Continue as guest.

PayPal is the safe, easy way to pay

No matter where you shop, we keep your card details more secure.

Your bank will probably send you a code by text or use another form of identification – like for any online payment. Be patient ;)
Confirm your payment.

You will receive a Payment Receipt from Wild Apricot and the usual email confirming your registration, as well as an email from PayPal to say that you have authorized a payment. Rest assured that the 30€ constitute the exact sum that will be withdrawn from your bank account.
